

Toolkit Workshop: Inequalities, Widening Participation and the NERUPI Framework

- ◆ 12:50 Virtual Coffee and Registration
- ◆ 13:00 **Inequalities, Widening Participation (WP) and the NERUPI Framework**
Annette Hayton, NERUPI Convenor
Annette will explore how wider inequalities relate to widening participation issues in higher education. She will consider some of the theoretical approaches that underpin the development of the NERUPI Framework as a capability framework, based on theory and practice, designed to support WP intervention planning and evaluation.

This session will include interactive and group discussion activities.
- ◆ 14:15 Break (10 mins)
- ◆ 14:25 **Practical Workshop: Programme and Evaluation Planning Using the NERUPI Framework**
Kate Holmes, NERUPI Development Officer
This session will provide an opportunity to explore the NERUPI Framework Programme Mapping Template and discuss, with colleagues from other member organisations, its usefulness as a strategic tool which demonstrates your future access and participation plans.
