# APP Targets and Performance

# APP Strategic Measures

**Learner Analytics**

**Advance HE**

**Learning and Teaching**

**Attainment Policy**

**Commuter Students**

**Evaluation Strategy**

# APP Evaluation Framework (APPEF)

Evaluation - what we are going to do and how we are going to do it?

APP Evaluation Toolkit and Guidance - supporting colleagues to develop their practice

APP Knowledge Hub - a repository of new and existing evidence

## Aspirations:

- Evaluation is embedded in APP strategic measures and activities
- Increase in staff knowledge, awareness and application of evaluation techniques
- Research helps to identify and understand the causes of APP gaps
- Help to close APP gaps

## Applications:

- Outreach programmes
- Personal academic tutoring
- Turing scheme
- APP research programme - APPEF impact, outreach, lived experience, commuting
- Financial support

# Thanks for listening

## Any questions?
